

The Outdoor Girls in a Motor Car

Come on, girls, the car is here, and this time I'm going to run it myself! You never are, Mollie Billette! exclaimed Grace Ford, as, with three companions, she hurried to the window of the library of the Billette home, and looked out toward the street, up which was coming a luxurious touring car of the latest model. Arent you afraid? asked Amy Stonington, as she looked admiringly at Mollie, whose cheeks were flushed with excitement. Oh, it simply gives me the creeps to think about it! added Grace.
