

Of Top Hats and Thieves

After finding a strange book in the bookstore where she works, Mia is sucked into a whirlwind of adventure where she meets the mysterious but dangerous Duke Mikel Belden. Mia has to help the Duke find the three jewels of a deceased sorceress, Tirelle, before the Duke's time is up. However, danger lurks around every corner, and the lines of fantasy and reality seem to blend until Mia comes face to face with a monster she never hoped was real.
