

The Pocket Book of Arsenal

Packed with original pictures, hand-drawn illustrations and genuine Arsenal memorabilia, this neat little book is bursting with the colourful history of London's biggest club - from the team's formation in 1886 to the current all-star squad of Fabregas, Walcott and company. Full colour throughout, The Pocket Book of Arsenal crams it all in - the great players, the greatest goals, the legendary managers, the tactics of the club's most successful teams - even an illustrated history of the Gunners strip. It also includes a club directory, a detailed diagram of the Emirates Stadium, honours, records, stats and much, much more.
