

## The practical Christian

The practical Christian or, The devout penitent. A book of devotion, containing the whole duty of a Christian, in all occasions and necessities. Fitted to the main uses of a holy life. This book, The practical Christian, by R. Sherlock, is a replication of a book originally published before 1843. It has been restored by human beings, page by page, so that you may enjoy it in a form as close to the original as possible.
