

The Promise of Amazing

Robin Constantine's New Jersey romance *The Promise of Amazing* is a sexy, poignant, funny, and authentic debut novel that will appeal to fans of books by Stephanie Perkins, Sarah Mlynowski, and Jennifer E. Smith. Wren Caswell is average. Ranked in the middle of her class at Sacred Heart, she's not popular, not a social misfit. Wren is the quiet good girl who's always done what she's supposed to do. Now, in her junior year, this passive strategy is backfiring. She wants to change but doesn't know how. Grayson Barrett was the king of St. Gables: star of the lacrosse team, top of his class, and on the fast track to a brilliant future until he was expelled for being a term-paper pimp. Now Gray is in a downward spiral and needs to change but doesn't know how. One fateful night, their paths cross at Wren's family's Arthurian-themed catering hall. What follows is the complicated, awkward, hilarious, and tender tale of two teens shedding their pasts, figuring out who they are, and falling in love.
