

The Red Monkey Double Happiness Book

Set in sun-drenched Cape Town, South Africa, this book features two full-length stories, The Leaking Cello Case and John Wesley Harding, rife with mystery, suspense, action, adventure, conspiracy theories, cool cars and excellent weed. Joe Daly brings a refreshingly original -- and utterly hilarious -- voice to the comics medium, a dry, deadpan wit anchored in everyday reality combined with unnervingly deranged plots, rendered with a hyper-detailed, half-realistic and half-cartoony Tintin-style crispness. [The Red Monkey Double Happiness Book] is basically Herge by way of the Big Lebowski with a little bit of Repo Man thrown in for good measure.... very funny... -- Chris Mautner, Robot 6
