

Rise of the Assyrian: The Antichrist, the Beast, and the Revived Babylonian Empire

This book is a comprehensive analysis of Biblical prophecy, in light of Scriptures ignored by many teachers of Eschatology today. Isaiah, Jeremiah, Ezekiel, and numerous Old Testament prophets wrote that the Messiah would defeat a wicked king in the latter days from Assyria or Babylon--modern day Iraq. This book presents Biblical evidence that the Antichrist will rise from this land, and temporarily establish a new Islamic empire in the Middle East. Third Edition.
