

The River Flows

We have entered into times that are troubling. There are those who would murder us thinking they are doing Gods service. The Holy Spirit is opening our eyes to understand the Lords teachings clearer than ever before. The war today is one that will be fought in the spiritual realm first to hasten the will of God on the earth. This is our time of repentance and prayer. Love will always overcome evil. Love is the power that opens the spiritual realm to us to warn us of danger and issue divine protection. The way of love is the expressed will and power of God Himself. He is love, we are His children and the Holy Spirit desires to reveal Himself to us. The River Flows is a timely message to the modern Christian.
