

For this remarkable book, best-selling writer/artist Suzy Toronto focuses on one of her most popular topics: the bold spirit of women and the remarkable strength of the bonds between them. Who are these Wonderful Wacky Women? she asks. You know them. They are your friends, your sisters, your mothers, and grandmothers. They are even you and me! They are the women who rise above all obstacles to turn tragedy into triumph and who answer the call to make a difference in the world. This brilliantly illustrated collection gathers Suzys poems about women, their friendships, and their various roles in life with personal essays about the wonderful wacky women in her own life... and a few recipes sprinkled in for good measure. A celebration of ordinary women who have accomplished extraordinary things, The Sacred Sisterhood of Wonderful Wacky Women is an inspiring and empowering collection for all women who recognize greatness in the women in their lives and in themselves.
