

The Sacred Writings of Athenagoras

The Sacred Writings Of Athenagoras provides you with the essential works among the Christian writings. The volumes cover the beginning of Christianity until medieval times. This edition includes the following works: 1. Novatians treatise concerning the Trinity, which is divided into thirty-one chapters. He first of all, from chapter first to the eighth, considers those words of the Rule of Truth or Faith, which bid us believe on God the Father and Lord Almighty, the absolutely perfect Creator of all things. Wherein among the other divine attributes he moreover ascribes to Him, partly from reason and partly from the Holy Scriptures, immensity, eternity, unity, goodness, immutability, immortality, spirituality; and adds that neither passions nor members can be attributed to God, and that these things are only asserted of God in Scripture anthropopathically 2. On the Jewish Meats
