

The Creator God who formed the grandeur of this universe and is commanding it, is not aloof or indifferent to our human condition. Out of love, He is intimately involved: His desire is to relate with His created beings. God is Love and His Kingdom is held together by viable loving relationships. We were created with a deep longing for such a Kingdom. In addition, God made it possible for you to rise above the tiny world of timed, sequential events, and see it all from His eternal point of view. Even more amazing, He prepared a fulfilling opportunity for you to participate in His Kingdom - if you want to. This is what Gods Incredible Plan is all about: God revealing Himself and His Plan to satisfy our restless drive for significance, and at the same time, answering our most troubling questions.
