THE SECOND COMFORTER: Supping with Our Resurrected Lord Jesus Christ  
This book is 192 pages. The purpose of this book is to answer the following questions as truthfully and accurately as possible. Can Evolution design and create? Can Chance design and create? Can Mutation/Selection design and create? Does Materialism match with REALITY? Does Spirit really exist? What is a SECOND COMFORTER Experience? What does it really mean to sup with the Lord? What is our Full Potential as human beings and as the children of God? What is a God the Father? Who can be called to fill that Position or Role? What is an Anointed Savior, a Jesus Christ? Who can be called to fill that Position or Role? What is a Holy Ghost? Who can be called to fill that Position or Role? John 14: 6: Jesus saith unto him, I am the way, THE TRUTH, and the life: no man cometh unto the Father, but by me. -- During the past year or so, I have had Atheists, Materialists, and Darwinists mock me and ridicule me online, telling me that I dont understand THE SCIENTIFIC METHOD, that I dont understand anything about THE THEORY OF EVOLUTION, and that I dont understand how SCIENCE really works. They dont even know me; but, based upon my interaction with them, they have concluded that I dont know anything about Science or THE SCIENTIFIC METHOD. It was their psychological defense mechanism coming into play. I got them stirred up a bit too much. These essays in this book were produced and presented to document my current understanding of THE SCIENTIFIC METHOD, and to demonstrate how I currently use THE SCIENTIFIC METHOD, the Rules of Science, and SCIENCE itself in my personal Pursuit of THE TRUTH. The reason we use SCIENCE and THE SCIENTIFIC METHOD is to help us get at THE TRUTH. These things are of no

value to us unless they, in reality, help us to ascertain THE TRUTH. Its BAD SCIENCE, if it is in fact being used to cover up THE TRUTH. After you have read these essays, you will have to decide for yourself if I know anything about SCIENCE, THE SECOND COMFORTER, and THE SCIENTIFIC METHOD or not. Meanwhile, in the following essays, I will APPLY THE SCIENTIFIC METHOD and Scientific Research to THE SECOND COMFORTER, which is in fact part of both the Spiritual Sciences and the Physical Sciences; and then see what we end up with. Take note that resurrection from the dead is a type of reincarnation, the best type of reincarnation!
