

The Shaolin Monastery charts, for the first time in any language, the history of the Shaolin Temple and the evolution of its world-renowned martial arts. In this meticulously researched and eminently readable study, Meir Shahar considers the economic, political, and religious factors that led Shaolin monks to disregard the Buddhist prohibition against violence and instead create fighting techniques that by the twenty-first century have spread throughout the world. He reveals the intimate connection between monastic violence and the veneration of the violent divinities of Buddhism and analyzes the Shaolin association of martial discipline and the search for spiritual enlightenment.

Strangers In Paradise Book 4: Love Me Tender, The Funeral Arrangement Choice Guide: Helping You Cope With a Loved Ones Death, Tecnologias Divinas: Desmenuzando a Dios (Spanish Edition), El Presagio: El misterio ancestral que guarda el secreto del futuro del mundo (Spanish Edition), The reign of law, Character of Jesus forbidding his Possible Classification with Men & Vicarious Sacrifice, Grounded in Principles of Universal Obligation (Two Books With Active Table of Contents), Sermons and Remains of Hugh Latimer, Sometime Bishop of Worcester, Martyr, 1555: (Parker Society),
