

## Steve Ditko Archives Vol. 6: Outer Limits (The Steve Ditko Archives)

Outer Limits features more than 200 meticulously restored, full-color comics pages by Ditko in his early prime. This volume's suspense and mystery stories—thanks to the inspiration Ditko took from space travel comics—were heavily weighted to the science fiction genre. Ditko rocketed into the vast outer reaches of the universe to craft tales that tapped into the fears and aspirations of middle America coming to terms with the Cold War and the beginning of the space race with Soviet Russia.
