

The Truth Shall Make You Right: The New Road Map to Radical Prosperity

The bestselling author of Reallionaire challenges common misconceptions about success and lays out the road map to a richer life. Raised in the impoverished south side of Chicago, Farrah Gray defied the odds and became a millionaire by age fourteen. He was the youngest person to have an office on Wall Street, and the youngest to receive an honorary doctorate. Now, at 24, he is an inspiration to millions and the bestselling author of Reallionaire, #1 Essence Bestseller. In *The Truth Shall Make You Rich*, Gray shares the secret to his success: an emphatic rejection of the seven fallacies most people believe about money and success: the Born Lucky Lie, the Celebrity Lie, the Money Lie, the Debt Lie, the Google and Gates Lie, the Wall Street Lie, and the Work-Hard Lie. By revealing the truth behind the myths, Gray empowers readers to blaze their own paths and make their own millions.
