

## The Uncensored Word: GODS GIFT

The Uncensored Word - GODS GIFT is about my exposure to the supernatural world. A world I have been some what silent about for most of my life. I have never felt truly comfortable in talking about my exposure. Always striving to maintain my composure in hopes of learning more from each event. Im telling my story now because I realize I was given a gift. To explain my gift, I must now expose my supernatural experiences. GODS GIFT is the first of three books. D. J. Bahr
