

The Unconditional Freeness of the Gospel

Thomas Erskine of Linlathen (13 October 1788 – 20 March 1870) was a Scottish advocate and lay theologian in the early part of the 19th century. With his friend the Reverend John McLeod Campbell he attempted a revision of Calvinism. This is a finely edited reprint of one of his most important works: *The Unconditional Freeness of the Gospel*. It remains a favorite of modern theologian C. Baxter Kruger. Enjoy this classic work! Produced by Beloved Publishing
