

Challenge to Unbelief: Worldviews, Certainty, Self-Deception 5 Tapes

5 tapes in album. Publishers notes: In apologetics Christians are too often on the defensive. Dr. Bahnsen shows that believers need to take the offensive (without being offensive) against those who object to the truth of Christianity. He explains that this involves understanding their underlying worldviews and showing their intellectual futility while realizing that all unbelievers are secret believers who deceive themselves about their knowledge of God.
