

## The Unidentified & Creatures of the Outer Edge

Back in print for the first time in decades! **THE UNIDENTIFIED** and **CREATURES OF THE OUTER EDGE**, the classic early works of Jerome Clark and Loren Coleman, now in a special double edition with a new introduction by the authors. **The Unidentified** finds the links that connect supernatural folklore, religious visions, cryptozoology, and modern-day UFO stories. It documents episodes from the fringes of human experience and exposes what they may tell us about ourselves and the strange world we live in, where things - whether fairies, ghosts, divine apparitions, or ostensible extraterrestrials - may be even more mysterious than they seem. **Creatures of the Outer Edge** surveys the cryptozoologically bountiful decade of the 1970s (and more) with accounts of Mothman, Owlmen, Thunderbirds, Phantom Panthers, Devil Dogs, Texas Big Birds, and, yes, of course, Bigfoot. Some of the individually named local Bigfoot creatures first appeared in this book, including Momo (Missouri Monster), Lake Worth Monster, Murphysboro Mud Monster, the Enfield Thing, El Reno Chicken Man, Noxie Monster, Navajos Skinwalkers, and Yukons Bushman. The book also introduced the now-iconic Dover Demon for the first time to the general public. Jerome Clark is a longtime ufologist and anomalist, who has appeared on NBC, ABC, the Discovery Channel, the History Channel, and A&E. He has written nearly 20 books, including two Book of the Month Club selections and the award-winning, multi-volume **The UFO Encyclopedia**, as well as songs recorded by Emmylou Harris, Tom T. Hall, and other country, folk, and bluegrass artists. His most recent book is **Unnatural Phenomena**. He lives in southwestern Minnesota with his wife, writer and editor Helene Henderson. Loren Coleman is the world's most popular living cryptozoologist. He

appears frequently on television and radio, and has even been turned into a fictional character in novels and comic books. He is the author of more than two dozen books, including Bigfoot!; Mysterious America; and Cryptozoology A to Z (with Jerome Clark). His fieldwork has taken him from Scotlands Loch Ness to the rainforests of Mexico, from the Everglades to the Pacific Northwests Bigfoot country. He lives in Portland, Maine, with his sons.
