

Book 3 of The Verities Silex. Seven quests become one as Kren, Linka, and Xalane rejoin their friends to bring an end to Ghaleons dark ambitions. But, with Koreths desperate plan reaching its climax and Linkas long avoided past finally catching up with her, Ghaleon is far from the only challenge they face. And now that both Silex are under his control, even the combined strength of all seven travelers may be no match for his newfound power.
