

The Widowers Manual: Unrevealed Cornerstones to Regenerate Your Life

The Widowers Manual is a practical guidebook for men who have lost their wives and are looking for a way out of the chaotic situation they find themselves in. The Widowers Manual offers an effective methodology, and addresses the mindset that is needed in order to grab hold again and build a new future. In addition it triggers you to use the experience of loss to act on an even higher level in the game called life.
