

Thinking for a Change: 11 Ways Highly Successful People Approach Life and Work

At the heart of John C. Maxwell's brilliant and inspiring program is a simple premise: To do well in life, we must first think well. But can we actually learn new mental habits? Thinking for a Change answers that with a resounding yes - and shows that your thinking can indeed change your life. Drawing on the words and deeds of many of the world's greatest leaders, this empowering audiobook helps you access your thinking style, guides you to new ones, and step by step teaches you the secrets of: Big Picture Thinking - seeing the world beyond your own needs and how that leads to great ideas Focused Thinking - removing mental clutter and distractions to realize your full potential Creative Thinking - stepping out of the box and making breakthroughs Shared Thinking - working with others to compound results Reflective Thinking - looking at the past to gain a better understanding of the future and much more...
