

It was only a wish. Connor Sullivan was painfully average. The very highlight of his existence was going to school, doing homework, and playing video games. He thought nothing would ever change that. Unfortunately, homework usually screws everything up. A cut, some blood, and a hastily scrawled promise to sell his soul for his fondest wish...and all hell breaks loose. Literally. The Demons take him up on his offer. In a last ditch effort to keep his soul, he wishes to become one of the demons, or Fallen as they call themselves. Connor thought he had found a solution to his problem. He never fully understood the meaning of the phrase, From the frying pan into the fire, until his wish was granted. The biggest catch? Never ever fall in love with a human... And then she walked into his school. Beautiful, red-haired, funny...and blind. Connors heart didnt stand a chance. Neither did the Fallens rules. He had saved his soul, but could he find happiness without hurting the girl he loved? Or would secrets Jessica didnt even know she had destroy them all?Book 2, Your Soul to Take, is now available!!Dont miss Sean Haydens Demonkin Series! Book 1, Origins, is now available!
