

For Those Left Behind

Are you grieving the death of a loved one? Does your heart feel broken, bruised, torn apart? Is it hard to get up in the morning and tackle what most assume is simply daily living? Are you struggling to hold on to your faith since your prayers were seemingly not answered? Do you wish that God would have taken you home, yet you remain here - seemingly alone? Do you have trouble figuring out how you are to continue on? If you answered yes to any of these questions, this book is for you. My prayer is that God will use this short devotional to help you on your journey from the valley of the shadow of death back to life. I pray it will be an instrument of healing for you. There are Scripture verses, brief selections, and prayers. The book is not meant to be read in any particular order. You choose what speaks to you and when. Thank you for allowing me to share a bit of your life. God bless you! k Kathie Bishop and her husband, Mark, live in a small town in Ohio. She is the proud mama of two grown children, Ben and Bethany, and an adopted dog named Liberty. She has been blessed to work with children in a local school district for many years. She loves reading, writing, spending time with family and friends, making people smile, and going to the beach. She is the author of *Destiny is Now (DIN)*, and *Serenity's Secret*. She has experienced grief firsthand in her own life and wants to help others journey to a place of healing. Her goal is to show what Christian faith looks like in action, and is passionate about inspiring others to joyfully grow in their own faith.
