

The world's focus of attention is about to shift dramatically as the Book of Revelation comes alive. Take a new look and see it as never before. Right now time is of the essence and there's not much left. Many new Christians, as well as those who are uncommitted but curious, would like to be presented with an easy-to-understand interpretation and explanation of the Book of Revelation. Here's a book that does just that. And it comes at a time when serious attention should be given to the ominous signs of the times being experienced right now, their meaning and what it holds in store for everyone on this planet. The concept of time is about to make way for the realm and place of eternity where only the qualified will enter. It is absolutely crucial for every living person to attain that qualification before the window closes. Time No Longer has many surprises in store for those who might have given up trying to unravel the mystery of the many figurative symbols in the pages of the Book of Revelation.
