

Successful Marriages for Successful Men: Guaranteed to Improve Your Relationship

Top Secret Tips Unveiled Within! 1) What is the book about? Due to the popularity of Donald Trump, men have gotten the wrong impression of success. Fortune 500 looked at CEOs and found out that over 50% were divorced. The true measure of a man is how he deals with his home life. In war, the army who has a strong home front wins the war. For men who want to redefine success as it relates to the home instead of the business. 2) Who is the target audience? The audience are for men who have tried to prove their worth through being successful outside the home but yet have an emptiness within. This book reexamines success through the eyes of the wife instead of the business. 3) What is the primary benefit? The husband will know he has finally reached success as it relates to the smile of his wife instead of the vastness of his financial portfolio. When one dies, you cannot take earthly possession. The only point you take is the treatment and legacy you left with name sakes. 4) What is the unique message? The family is the most important asset that one possesses. Stocks, bonds, cars, and houses are not true points of wealth. True wealth is defined by what you give or buy with a priceless tag. This includes time, love and family
