

Timothys Book of Stories

He liked stories alright, and he even loved the good ones, but there was something that seemed naturally dull and cold about bookshe didnt like the way you had to finish them to know the story. He liked stories alright, and more than once he sat down to read, but he could not finish, and hence the story was lost. And nothing did he dislike more than a story getting lost, or anything getting lost, for that matter, and so it became that Timothy, or Tim was not quite fond of books, to say the least. In the Shire, a boy named Tim is growing upmaking friends, playing by the brook, laughing, being polite to gronupsa good boy. Only, he doesnt like books. This is a story of how that changes, of how he falls in love with them, and of other things that happen.
