

## Bertha-Size Your Life (The Bertha Series) (Volume 1)

Bertha-Size Your Life! Is a book of personal transformation that reads like a series of entertaining and humorous stories. Bertha, a zany redhead, mysteriously appears in the narrators life during a walk in the park. Quicker than a man can hand off a baby with a dirty diaper, she has moved into the narrators empty nest and the fun begins. You never know what Bertha will think up next from flying a hot air balloon to singing to her begonia, shes always up to something. Bertha delights in standing on her soapbox while dispensing down-home wisdom and perky advice, explaining The Law of Attraction in a refreshing, humor-filled, practical way that has the reader going aha! instead of humph! Throw in a conniving nemesis, an antagonistic cat, lime green spandex and high-heels and youve got a book thats sure to tickle your funny bone and leave you wearing your thinking cap as you read and reread each vignette.
