

## Women Talk Men Walk: Have the Marriage You Crave: God Tells How, Hormones Explain Why

Many women expect a man to respond like her girlfriend. But he cant. A man cant think like a woman - and he cant help that he cant. Few men enjoy long emotional talks like a woman does, but they do value connecting in other ways. She can learn to recognize his special love signals. Hormones clarify why men and women respond differently to the same situation and how they are part of Gods plan for complimentary relationships. Remember, God created Eve from Adams rib, not his brain cells. Women Talk Men Walk is a 9-1-1 answer for having a sizzling relationship by decoding a womans words to fit her mans heart.
