

# Journal: Trauma From Tragedy To Trust

This is the accompanying journal for the Trauma video series, available as a separate purchase. Trauma is tragic. When we have been traumatized, the world that we knew and trusted has so changed that it can seem unmanageable and unrecognizable. This extensive track offers insights and strategies for overcoming life-altering trauma and restoring trust in ourselves and the world around us. Dr. Coyle compresses current understanding about trauma and its mastery into an understandable bio-psychosocial model. This track includes elements of loss, anger, victimization, and pain.
