

## How to Become a Better Wife, Volume 10

This is volume 10 of a 10-volume seminar delivered by the famous motivational speaker and seminar leader Jane John-Nwankwo. After hearing this volume, be sure to purchase the remaining nine volumes. After God had created man and other creatures, everything was good except for one thing: It is not good for man to be alone, says Genesis 2:18. A woman was needed in order for everything to be good. Women are the crown of creation. Without a woman, a man is not complete. God created women with special abilities that men lack in order that we might not only be great companions, but strength for life's journey for men! This book is a manual as well as a motivational book for women who wish to accomplish God's purpose in their lives as wives. If any strength or encouragement is drawn from this book or if you learn something that will make you a better wife, then the purpose of this book would have been achieved.
