

## Uncovered: Revealing the Secrets of a Sexy Marriage

Having a happy and sexually satisfying marriage isn't work--it's fun! Uncovered shares the secrets of understanding your husband and making your marriage your top priority using biblical wisdom, practical sense, and a bit of feminine charm. With plenty of wit and realistic advice, Susie Davis shows you how to get over your naked self and love your body what speed sex is (hint: it doesn't mean breaking records) the importance of letting your husband be a man how to move from roommate to playmate and much more. Each chapter also includes a top secret section called The Male Room where real married men reveal their true feelings about their wives and marriages. If you're ready to improve your relationship--and have fun--with the most important person in your life, this is the book for you. Wow. Uncovered is just that--honest, open, gut-level talk about putting the sexy back in marriage. This is not simply a book about sex--it's a thoughtful and brave look at making your marriage truly healthy.--Ronne, married to Brad 13 years I loved Susie's practical approach to marriage, the humorous stories, and the insightful comments from real husbands on their real views and needs. This is a fantastic read not only for those struggling in their marriage, but also those who already have a great marriage.--Joni, married to Kevin 13 years Uncovered sparked a fire in me that I didn't even know had gone out. This book has changed my attitude and my approach toward my husband.--Julie, married to David 14 years Susie Davis is the author of several books, including Parenting Your Teen and Loving It, and is a popular retreat and conference speaker. She is founder and director of Susie Davis Ministries ([www.susiedavisministries.com](http://www.susiedavisministries.com)) and has a passion for helping others develop God-centered relationships.
