Ancient Tunnel System Has Existed On Earth Since Time Of Atlantis. 3. Entrance Ways Can Be Found In Many Major Cities. 4. Some Government and Military Officials Have Taken The Side Of The Aliens. The UFO enigma is more complex than generally believed. Though it is commonly thought that space ships are arriving here from other solar systems, there is now evidence that several groups of ETs have established bases beneath our very feet. Here are bizarre stories about underground bases at Mt. Shasta, California; Brown Mountain, North Carolina; Dulce, New Mexico; Groom Lake, Nevada; Superstition Mountain Rain, Phoenix, Arizona; South and North Poles; as well as in the mountains of the Andes, and the jungles of Brazil. Here also, are the first hand reports of those individuals who have been abducted by aliens, who have survived genetic experiments at these locations. These are the facts that everyone should be informed of -- regardless of how disturbing the truth may turn out to be!
