

Union with Christ: The Way to Know and Enjoy God

To experience why the gospel is good news and answer life's most foundational questions about identity, destiny, and purpose, we must understand what it means to be united to Christ. If you are a Christian, the Bible says that Christ has united his life to yours, that you are now in Christ and Christ is in you. This almost unfathomable truth is the central theme of the Bible from Genesis to Revelation. Yet few Christians today experience or enjoy this reality. Union with Christ reveals the transformational power of this ancient doctrine while addressing the basic questions of the human heart: Who Am I? Why Am I Here? Where Am I Headed? How Will I Get There? Nothing is more practical for living the Christian life than union with Christ. The recovery of this reality provides the anchor and engine for your life with God for your destiny is not only to see Christ, but to actually become like him.
