

University Bound: A Paradise Island Series

McKenna Beach, older sister of Malina Beach from the original Paradise Island Series, is off to college in their small town of Paradise Island, Hawaii. McKenna is used to Malina getting all the attention, but amongst her new friends at school, McKenna finally gets the chance to find herself and decide what she wants to do with her life. It doesn't hurt that she meets a hot new boy, James, in the cafeteria and the two begin smitten right away. When the group decides to go to Vegas for their spring break adventure, things get heated up between James and McKenna, and not in the good way. Will they let petty drama get in the way of what they truly want? And will McKenna finally find a group she can be herself with? Don't forget to download the other Paradise Island Series books as well! *20% of all Paradise Island Series proceeds goes to Ocean Conservancy, an organization to help restore and protect the world's oceans!*
