Excerpt from Background on Tax Incentives for Employment: Scheduled for a Hearing Before the Subcommittee on Economic Growth, Employment, and Revenue Sharing of the Committee on Finance on April 3, 1981. This pamphlet, prepared in connection with the hearing, contains three parts. The first part discusses the legislative history of tax incentives for employment, beginning with the Win tax credit as adopted in 1971. The second part describes the present targeted jobs tax credit and Win tax credit. The third part provides data on recent use of the credits and summarizes several recent reports evaluating the credits.
