

## Usagi Yojimbo Book 7

The novel-length title story relates the heretofore untold story of the mercenary swordsrhino Gennosuke. This volume also introduces a new romantic interest for Usagi, tells the final fate of the Blind Swordspig, and more! The seventh volume in this legendary series about a wandering rabbit samurai in feudal Japan is now available in a newly redesigned edition! This dense tome collects issues 32 through 38 of the original Usagi series as well as the Usagi strip from Critters #38. In addition to the novel-length Gens Story, which forms the centerpiece of this volume, and which relates the heretofore untold story of the mercenary swordsrhino Gennosuke, Usagi Yojimbo Book 7 includes Kitsune (introducing a new romantic interest for Usagi), The Last Ino Story (the final fate of the Blind Swordspig Zato-Ino), The Return of Kitsune, and Broken Ritual, a tale of hara-kiri based on an idea by Sergio Aragones, who also contributes this volumes introduction. This perennial favorite features dragons, ghosts, demons, bats and more, all in set in Sakais warrior landscape. A classic! Black-and-white comics throughout
