

In a desperate attempt to fight Lady Umbras growing control over her mind and body, Vampirella and her unlikely new ally, Lord Drago, take a jaunt to the Mediterranean. There, on the Greek island of Lamos, famous for its unspoiled beaches and friendly natives, they search for the most ancient species of vampire in the world: the dreaded lamia of legend. But can Vampirella locate and slay the seductive half-serpent before her heart falls into shadow?
