

Vampirella Vol. 3: Throne of Skulls (Vampirella (2011))

Collects Vampirella 12-20! A mysterious hijacking--by an undetectable force which leaves only death in its wake-- lures Vampirella to Russia, and deeper into a deadly conspiracy where nothing is what it seems. At the request of Vampirellas allies-- the Vaticans paranormal covert strike force, Cestus Dei-- the blood-drinking scourge of the supernatural travels to Russia, on the hunt for a terrifying killer with a gift for murder. But theres more at play than a simple search-and destroy mission. Complicating matters is the return of the King of the Vampires, Dracula-- more powerful than ever before, and determined to consecrate an unholy pact with ancient, unknowable forces that even the lords of Chaos and Order wisely fear. War is on the horizon, and only one who has worn the Crown of Worms can sit upon a Throne of Skulls. Old foes are reborn, alliances are broken, and nothing in Vampirellas world will ever be the same!
