

# Seaweed and Shamans: Inheriting the Gifts of Grief

Literary Nonfiction. Asian American Studies. Memoir. Heartfelt and at times heart-rending, SEAWEED AND SHAMANS details Brenda Paik Sunoo's journey through grief into solace. Written with courage and generosity, her collection of essays traverses personal memory and Korean-American history, as well as the thoughts and drawings garnered from diary entries of the child she lost. A testimony to the endurance of faith and art, life and love. SEAWEED AND SHAMANS is a gift of healing--Nora Okja Keller, author of Comfort Woman and Fox Girl.
