

Walking in Gods Grace: Practical Answers to Tough Questions

What does Gods grace mean to you? This question has often brought confusion and controversy to Christians everywhere. The team at World Prayr want you to understand just how amazing Gods grace is. They want to dispel any confusion. They would like you to understand that you too can walk in Gods grace, but only because it is Gods grace that enables you. In fact, it is all Gods grace, all the way. This book is divided into 36 questions, including What is grace? Is there such a thing as too much grace? What about repentance? Is there ever a point where Gods grace ends and we have to fill in with our own efforts? Something bad is happening or has happened in my life. Is God punishing me? Each question is answered in detail with substantial scripture references provided so that you can continue to study the topic for yourself directly from Scripture. In addition, there is a list of resources for further study in the back which can help you in a much deeper study of the meaning of grace. Gods grace is sufficient, for everything, everywhere, and at every time.
