

Warrior Wives: Marriage Is Worth Fighting For

Seriously hurting marriages are not a popular topic in the church, and few specifically designed resources have been available to help save the fifty percent of marriages in the church that end in divorce-until now. Written by a professional counselor whose marriage once nearly ended, *Warrior Wives: Marriage is Worth Fighting For*, formerly published as *I Want to Stay Married, But How?* will: Assure you that you are not alone. Restore your hope. Challenge you to become more fully who God made you to be. Change the way you think about and do relationships. Convince you that one healthy person - you - can change a marriage.
