 200 day Exponential Moving Average
 Bear Markets
 Identifying the Strongest Stocks
 How much of a position to buy
 When to exit with a profit or a loss
 Examples of current trades
 Bio of Andrew Abraham
 Disclosure
 Momentum trading is just one of many trading concepts. However in my opinion and experience believe this is winning strategy. Nicolas Darvas used this strategy by buying strong momentum stocks. Darvas in the 1950s amassed a fortune by trading momentum stocks. In today's dollars, Darvas earned \$20,000,000 in several short years.
