

Way Maker Episode Three

Welcome to Episode Three of Way Maker, the first book in the Way Series. This time around sees a backwoods kid making speeches and choices on his own, discover what happens when a dragon oversleeps, and who will sent delegates to the throne of Bandia. There are dragons, politics, murders, racisms, loves, hates, and resurrections. Youll probably like it. I know I have enjoyed writing it. Dont start here, though.
