

## We Are Their Heaven: A Family Memoir

How do those we have loved live on in us? This is the subject of Thomas Larson's brief and affecting family memoir, *We Are Their Heaven*. The author of *The Memoirist* brings us the uncanny story of a woman who waited every day on a corner for her husband, killed years before in a car crash, to come home. The tale also meditates on how this as well as the losses of Larson's parents and grandparents have marked him, unraveling one writer's destiny across time.
