

Werewolves: Myth, Mystery, and Magick

Enter the world of the werewolf, where superstition abounds and shape shifting is possible! Find out what to do if you or a friend turns into a werewolf or other were-beast. Learn the differences between Therianthropy and Lycanthropy, discover the medical conditions such as hypertrichosis, clinical lycanthropy, hirsutism, and rabies that might cause you to think you are a werewolf. Meet real killers who thought that they had reign over the supernatural and could bend their bones! Take a fantastic journey through the transformation of the werewolf in the graphic novel industry and look into the darkest minds of those who claim to be flesh eaters. Come along for one wild ride and remember you too can bark at the moon!
