

What Color Are Your Bones? (Gateway to the Stars) (Volume 1)

Astar, is a blue kid with rainbow colored hair struggling to figure out how to fit in with the kids in Conformity, where Astar goes to school. In this book Astar is on a spring break and living in Freedom Land. IT is a place in-between, that cannot be found on a map. That is where Astar goes on adventures and travels into the inner and outer dimensions to discover: Who am I? Grandma Blue is a Teacher from the Stars. She can appear or disappear with a snap of her fingers. Helper is Astar's mother and Travelsfar is Astar's father. They are gone a lot, helping people have better lives. Grandma Blue and Papaknows take care of Astar and try to teach Astar how to be a good Citizen of the Universe. What Color Are Your Bones? Journey with Astar to discover the answers to your questions. As Grandma Blue says: If you do not ask the questions, you cannot get the answers. IT is important to ask a lot of questions since IT can be anything, anything at all. That is why IT is capitalized in the book, so you can make a list of all of the ITS and discover that the Mystery of IT is more complex than IT seems.
