

As often happens in life, Edward was catapulted from his layer of safe sanctuary into a world of unknown undertakings first working as a teacher, then a multitude of jobs, each pushing him farther into the extremes of poverty. Suddenly being flung into a messy divorce, Edward spent his last money on a reading with internationally-known psychic, Rosemary Altea, changing his life forever. Never looking back, Edward continued this spiritual path investigating and befriending many mediums and, along this route he now shares with you, you will enter into the world of spirits and new dimensions.
