

## Healing for the Inner Hurts

People must gain an understanding of some of the complex issues facing them in life and find a scriptural remedy for these issues. Troubled pasts affect every relationship in life, and vicious cycles of abuse and neglect spawn often even more abuse and neglect. Mans lack of understanding of how to deal with these issues destines many to cycles of repetitive behavior. This bondage must be broken by healing the many inner hurts which life has dealt some people and the providence of God has allowed. Those who inflict the most hurt on other people are often hurting the most. Holding on to hurt is like binding the victim to the perpetrator with invisible chains. This book approaches these situations with a pastors wisdom and a Biblical remedy.
