

## Whats Wrong with a Little Porn When Youre Single?

I know porn is wrong for a married person, but Im single. What can it hurt? The accessibility of pornography through the Internet means that more singles are asking themselves if porn use really matters. But Nicholas Black of Harvest USA, a ministry for people struggling with sexual issues, explains how porn isolates singles from healthy relationships, sabotages their future marriages, and can lead to sexual addiction. In *Whats Wrong with a Little Porn When Youre Single?*, Black calls singles to turn from porn and grow healthy, rich relationships with God and others. Using seven practical steps, he equips singles to recognize what underlies their temptation to use porn, fight for obedience with hope, and rely on God for cleansing and a new start.
